Located next to Marina Reservoir, Gardens by the Bay offers breath-taking waterfront views. This multi-award winning horticultural destination spans 101 hectares of reclaimed land, and is made up of two main areas - Bay South Garden and Bay East Garden.

Bay South Garden is the largest of the gardens. Inspired by an orchid, the design resembles Singapore's national flower, Vanda 'Miss Joaquim'. You can't miss the massive Supertrees here. These tree-shaped vertical gardens are between nine to 16 storeys tall. Walk on the suspended walkway between two Supertrees to enjoy a bird's eye view of the gardens. In the evening, catch the sky show of choreographed lights and sounds at the Garden Rhapsody amidst the Supertrees.

Deep within a quiet neighbourhood, about 22 kilometres from the city centre, lies the Kranji War Memorial, a hillside cemetery that is quite beautiful in its serenity once you get there.

Every year, a memorial service is held to pay tribute to those who gave their lives.

The memorial honours the men and women from Britain, Australia, Canada, Sri Lanka, India, Malaya, the Netherlands and New Zealand who died in the line of duty during World War II.
